

SPOTLIGHT ON...

Kidlington Plumbing & Heating and Bathroom Solutions Showroom

I am delighted to announce the recent update to our Plumbing & Heating merchant and Bathroom Solutions showroom in Kidlington.

In order to best serve our customers we have relocated both the merchant and showroom to larger premises, both are now under the same roof at Unit 6 Cherwell Business Centre. Our decision to do this was to ensure our customers have access to more plumbing, heating and bathroom products as well as a bathroom showroom featuring 10 real room settings that can be easily accessed by you and your customers.

The increase in shop floor area has allowed for not only an increase in core plumbing and heating stock from key ranges including Instinct and a bigger display of showers and boilers but more importantly a larger counter to serve you more efficiently.

We look forward to seeing you in our new and improved Plumbing & Heating merchant and Bathroom Solutions showroom soon.

Best regards,

David Hebdon
Chief Operating Officer

The Independent Choice Since 1965

Kidlington Plumbing & Heating merchant

Your supplier of boilers, radiators, central heating, drainage and trade essentials

What's available from Kidlington Plumbing & Heating?

LOYALTY SCHEME

Earn rewards which can be used towards your next holiday, shopping trip or Nicholls order.

Visit www.johnnichollstrade.co.uk/loyalty for more information and to sign-up!

“ I have been a Nicholls customer for over 15 years. Nicholls is my supplier of choice for all of my plumbing materials. I love the loyalty scheme. I would be spending my money at Nicholls regardless but the loyalty scheme has paid for several holidays. I have been to Australia twice now with the vouchers. It's a great reward when you work hard all year!
